## REASONS TO BE A SPONSOR

Sponsors are imperative in the funding of various elements of this community event. Your sponsorship will allow for bigger name entertainment and higher quality sound and stage equipment, etc., leading to increased attendance and exposure for you. Thank you, in advance, for your time and consideration.

- Brand awareness & exposure to an estimated 30,000+ attendees
- Improve public perception of your business and increase your reputation for success
- Increase sales for your business to a relevant North County and SoCal target audience
- Support of our local Non-Profit 501(c)6, Escondido Downtown Business Association, for the marketing, support, and preservation of the 130 year old Historic Downtown Business District.

## EVENT HISTORY

Since 1989, the Escondido Street Festival has brought thousands of people to our beautiful historic downtown. In 2022, under new ownership by the Escondido Downtown Business Association and with the help of a music grant, improvements were made to increase marketing, add quality professional live music, stage, sound and beer and wine gardens. The result of these changes brought a 75% increase in vendors and attendance of approximately 30,000 people. The Escondido Street Festival is the biggest event in the City of Escondido.
